

Symposium on
**MEMBRANE TRANSPORT AS THE MAIN CELL
ORGANIZER**

CNR Conference Room, Via P. Castellino, 111 Napoli, March 30, 2015

- 9.00 **Registration**
- 9.20 **Opening Remarks**
Prof Luigi NICOLAIS, President, CNR (ITALY)
Prof Guido TROMBETTI, Campania Region Ministry of Research (ITALY)
Prof Tullio POZZAN, Director, Department of Biomedical Sciences, CNR (ITALY)
- 9.40 **Session I**, Chair: Prof Tullio POZZAN (ITALY)
- 9.50 Dr Daniela CORDA, Director IBP – CNR, Naples (ITALY)
Mechanisms of Membrane Fission
- 10.30 Dr Vivek MALHOTRA, Centre for Genomic Regulation, Barcelona (SPAIN)
The mechanism of Collagen Secretion
- 11.10 *Coffee break*
- 11.30 Prof JAMES ROTHMAN, Yale University, New Haven (USA)
Mechanisms of Membrane Fusion
- 12.30 **Lunch and Poster**
- 13.50 **Session II**, Chair: Dr Daniela CORDA (ITALY)
- 14.00 Dr Felix WIELAND Heidelberg University, Heidelberg (GERMANY)
Formation, Structure, and Functions of the COP-I Coat
- 14.40 Dr Suzanne PFEFFER, Stanford University, San Francisco (USA)
Mechanism of Transport Vesicle Tethering
- 15.20 *Coffee break*
- 15.40 Dr Giovanni D'ANGELO, IBP - CNR, Naples (ITALY)
Mechanism of Action of the Golgi Oncogene Golph3 in Cancer
- 16.20 Dr Alberto LUINI, IBP - CNR, Naples, (ITALY)
Control and Coordination of Membrane Transport
- 17.00 **GENERAL DISCUSSION AND CLOSING REMARKS**

Secretariat: Ms Anna Di Costanzo
CNR, Institute of Protein Biochemistry
Phone: 081 6132579
e.mail: symposium@ibp.cnr.it

Organizers:
Daniela Corda and Alberto Luini
CNR, Institute of Protein Biochemistry
